Katie Ella Jewell Goodwin

January 17, 1911 - September 2, 2007

This year saw the passing of Benton's oldest resident, Katie Goodwin. Katie was the second child and only daughter born to William and Celia Jewell in Lunenburg, VT. After several years, the family moved to Red Village, VT where, when Katie was seven, her mother died and she relied on her aunts who lived nearby for maternal needs. She did occasionally need help from a neighbor to brush her hair before going to school, and sometimes her brother had to help braid it.

At age 15, her father could no longer afford to buy her school supplies, so she repeated 8th grade, her last formal education. In June of the year she started work in the Goodwin's home. The Goodwins lived next door to the Mountain View House, and took overflow guests in. The senior Mr. Goodwin had a residential milk route which his son, Max, eventually took over.

After a romance developed between Max and Katie, she wrote to her father to ask his permission since she was underage. When no response came, she decided that meant her father consented, and the two were married on March 21, 1927. Katie helped in the business by putting the milk caps on the bottles. Their daughter Maxine was born in 1928. When she was old enough, Maxine took over the capping. In 1944, the Goodwins bought a farm in Landaff, and Katie worked along side Max in the fields.

Katie never cut her hair because her mother-in-law felt it frivolous to visit a hair salon. Her hair became so long that she sat on it and kept it braided and wrapped around her head. In late 1955, some time after the passing of her in-laws, Maxine cut off her mom's braids, gave her her first home permanent, and saved the braids in a box. Katie was a new woman!

In 1947 Maxine married George Tyler and moved Katie and Max with her to Howe Hill in Benton. In 1969 Max passed away, having been married to Katie for 42 years. For the next 5 years, George would drive Katie to visit her brother in Northwood, NH. After George passed away in 1974, Maxine took the driver's test and got her license. She and Katie would go to Northwood.

Over the years, Katie and Maxine cooked, cleaned, crocheted, sewed, embroidered and tended the garden together. Maxine felt blessed to have such a special mother who was also like a big sister and friend, all in one. "Winters never seemed long to us", said Maxine.

Katie was a Ballot Inspector at elections, coming down with Maxine and crocheting or embroidering for most of the day. She also baked some of "the best bread around" according to those lucky enough to have sampled her loaves.

Adapted from a birthday program for Katie's 90th birthday by Stephanie Saffo.

BENTON TOWN OFFICERS

		Term	Exp. Date
Board of Selectmen:	Jeremy Elliott	3 yrs	2008
	Marjorie L. Robitzer *	3 yrs.	2009

Annual Town Meeting Warrant

Grafton S.S.

March 11, 2008

Town of Benton

To the inhabitants of the Town of Benton qualified to vote in Town affairs:

You are hereby notified to meet at the Benton Community Building in said Benton on the second Tuesday of March next, the 11th, at seven o'clock in the evening to vote and act upon the following subjects:

ARTICLE 1 To choose a Town Clerk, a Treasurer, a Tax Collector, an Auditor, a Ballot Clerk, a Ballot Inspector, a Sexton, an Assistant to the Sexton and a Surveyor of Wood and Lumber for a term of one year; a Moderator and a Selectman for a period of two years; a Supervisor of the Checklist and a Selectman for a term of three years; a Member of the Planning Board for a term of five years and any other agents or Officers necessary for the ensuing year.

ARTICLE 2 To see if the Town will vote to accept the reports of officers and agents as printed.

ARTICLE 3 Non-Lapsing Special Warrant Article.

To see if the Town will vote to appropriate the sum of \$4,630 to replace the windows in the Benton Town Hall building. The monies are to be drawn from the surplus in the General Fund.

(This article requires a 2/3 majority vote on a written ballot)

The Selectmen recommend this article.

ARTICLE 4 To see if the Town will vote to raise and appropriate the sum of \$113,193 for General Municipal Operations.

The Selectmen recommend this article.

Michael P. Striobitz, Town Clerk

2007 saw an incredible amount of volunteer effort expended at the Town Building through the efforts of The Beautify Benton Committee and other willing volunteers. The main hall was cleaned, scrubbed, painted and generally spruced up, and all of the windows were thoroughly washed. The kitchen was cleaned, windows washed, curtains were made, cabinets were reset complete with new hardware, and a new countertop and sink were installed. The cellar was rid of a lot of junk, cleaned, and foam insulation was sprayed in the holes in the foundation.

Conservation cases were purchased for several of Benton's memorabilia such as the drum used in parades of the late 1800's by the town's own Fife and Drum Corp. The drum was donated to the town by the family of William and Mary Clough. Also encased was an American Flag, also believed to have been used back in the late 1800's. Additionally, some very attractive literature racks have been placed in the anteroom, organizing and centralizing the various public service brochures and information. With money set aside for the purpose from the previous warrant, the ancient water heater was replaced with a new Marathon unit, guaranteed for life.

Various external "modifications" also took place over the year, including gardening work around the flagpole, Christmas wreaths on the Town Building as well as at the entrances to our cemeteries, and a new flag whenever it was needed.

The funds spent on these projects were either from money raised from our Memory Tree or from anonymous donors. On that note, the Memory Tree was beautiful, standing as a reminder of all that we are because of those we loved and who have passed before us.

The list of volunteers included: Dick and Nellie Dickenson, Deb and Chelsea McKean, Steph Saffo, Diana and Shawn Roden, Sam Boutin, Lyn Bandy, and Mike Stiebitz. If I have forgotten anyone, I do apologize! Bravo and thanks to everyone involved in these activities. We have a Town Building that we can all be proud of!

One last note on dogs: all owners of dogs over 4 months old must license them each year before April 30th. After May 30th, any license fee which remains unpaid can be increased by \$1.00 per month. Please make every effort this year to get your dogs licensed before April 30th.

Respectfully submitted,

Michael P. Stiebitz, Town Clerk

Supervisor of the Checklist	3 Yr Term	Arthur Christopher
Selectman	3 Yr Term	Albert Boutin, Jr.
Member of the Planning Board	5 Yr Term	Kenneth Kealey
Other Agents as Required	-	None

Article 2

To see if the Town will vote to accept the reports of Officers and Agents as printed.

A motion was made and seconded to accept the reports of officers and agents as printed and passed by a voice vote.

Article 3

To see if the Town will vote to buy a new water heater for the Town Hall to be paid from the Town Building Fund, the present balance of which is \$1,202. A twenty gallon heater will cost \$369, plus shipping and installation. Our present heater is rusty and leaking.

A motion was made and seconded to accept the article as written and passed by a unanimous voice vote of the eligible voters present.

Town Meeting – Benton, New Hampshire
March 13, 2007

Article 4

To see if the Town will vote to raise the price of building permits to \$55 to better cover the cost connected with re-assessments of new buildings or additions.

A motion was made and seconded to accept the article as written and passed by a voice vote. Some discussion ensued regarding the actual costs involved in issuing building permits. The cost of reassessing alone is \$40 per lot. In addition, there are 5 sets of documents that must be updated to reflect the changes/additions specified in the building permit.

A motion was made to approve the increase, the motion was seconded and the article passed unanimously by voice vote.

Article 5

To see if the Town will vote to raise the price of cemetery lots to \$75.

A motion was made and seconded to accept the article as written and passed by a voice vote. A motion was made to approve the increase, the motion was seconded and the article passed unanimously by voice vote.

After determining that additional discussion was warranted, the moderator asked for a motion to reopen the article for discussion, a motion was made, seconded and discussion resumed. Research by the Selectmen revealed that Haverhill cemetery plots were selling for \$100 each in 1990. In 2003, Benton voted to restrict sales of our cemetery lots to residents, but did not increase the price. This article brings the price of our lots more in line with that of surrounding towns. It was also decided that the effective date for the increase will be May 13, 2007, in order to give prospective buyers time to get in "under the wire".

A motion was made to approve the implementation date, the motion was seconded and the article passed unanimously by voice vote.

Article 6

To see if the Town will go on record in support of effective actions by the President and Congress with regard to the issue of climate change which is becoming increasingly harmful to the environment, the economy of New Hampshire, and to the future well-being of the people of Benton.

The actions include:

1. Establishment of a national program requiring reductions of U.S. greenhouse gas emissions while protecting the U.S. economy.
2. Creation of a major national research initiative to foster rapid development of sustainable energy technologies, thereby stimulating new jobs and investment.

The record of the vote on this article will be transmitted to the President of the United States and to the declared candidates of that office.

76 Benton residents signed this petition at the last election at the Town Hall.

Town Meeting – Benton, New Hampshire
March 13, 2007

A motion was made and seconded to accept the article as written and passed by a voice vote. Laura Richardson discussed the scope and intent of this article and pointed out that over 180 New Hampshire towns have this article on their warrants as well, demonstrating the urgency with which our fellow citizens view this issue.

A motion was made to approve the article, the motion was seconded and the article passed unanimously by voice vote.

Article 7

To see if the Town will vote to raise and appropriate the sum of \$96,263 for General Municipal operations.

A motion was made and seconded to accept the article as written and passed by a voice vote. Discussion ensued regarding assessing costs contained in the article. Marjorie stated that the State of New Hampshire has mandated that all property must be reassessed every 5 years. In order to spread out our costs, the Selectmen have contracted with our assessor to reassess $\frac{1}{4}$ of the town's property every year. The reassessed valuations will go into effect after the fourth and final year's assessments are completed, thus avoiding an uneven and potentially unfair application of the new values.

If a landowner builds or upgrades after the quarterly assessment, the building permit process will trigger a reassessment for that lot, thus bringing the valuation current.

A motion was made to approve the budget, the motion was accepted, and the article passed unanimously by voice vote.

Gil then asked if there was any other business to discuss. When no one else responded, he brought up the fact that our longest (since 1984!) serving Selectman wishes to step down at some point in the near future. He pointed out that no one seems to be jumping into the race and we as a town need to deal with this issue. He suggested creation of a search/investigative committee to first identify the duties required of a Selectman, and then to generate a short list of potential candidates.

Laura Richardson suggested that the committee be formed of at least 3 members.

Wayne Chevalier asked if there were existing job descriptions for any office in town. Since no job descriptions are known to exist, it was suggested that all present office holders generate a basic statement of work. These will form the basis of a manual for the town in the case of emergency vacancies, and/or normal turnover of the positions. Laura inquired if there are offices in town that are not currently staffed. It was found that there are indeed several, including Health Officer and Zoning Board. She suggested that a list should be created to document the vacant offices.

After much discussion, it was decided that a search/investigative team would be formed for ultimate purpose of identifying a replacement Selectman for Marjorie.

Town Meeting – Benton, New Hampshire
March 13, 2007

Gil Richardson was nominated as chairman, Lyn Bandy and Mike Stiebitz volunteered to be committee members.

The committee will have its first meeting within the next few weeks.

All office holders will be requested to generate a job description which will be forwarded to the committee by June 1, 2007.

The committee, after it completes its research, will make recommendations to the town regarding the selection of a candidate for Selectman.

A motion was made to approve the formation of the committee, the motion was seconded, and it passed unanimously by voice vote.

The meeting was adjourned at 8:22PM. All new Town Officers present were sworn in at the closing.

SUPERINTENDENT OF SCHOOLS

Bruce C. Labs

**BENTON SCHOOL DISTRICT
SCHOOL WARRANT
STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District of Benton in the County of Grafton,
State of New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 11th day
of March 2008, at 7:00 o'clock in the evening to act upon the following subjects:

- ARTICLE 1: To choose a Moderator for the ensuing year.
- ARTICLE 2: To choose a School District Clerk for the ensuing year.
- ARTICLE 3: To choose one School Board Member, for a term of three years,
to expire in 2011.
- ARTICLE 4: To choose a Treasurer for the ensuing year.
- ARTICLE 5: To choose an Auditor for the ensuing year.
- ARTICLE 6: To hear reports of Agents, Committees, or Officers chosen and
pass any vote related thereto.
- ARTICLE 7: To see what sum of money the district will raise and appropriate
for the support of schools, for the payment of salaries of school
district officials and agents and for the payment of statutory
obligations of the district. This article is exclusive of any other
article on the warrant. (The school board recommends
\$461,552.00)
- ARTICLE 8: To transact any other business that may legally come before said
meeting.

Given under our hands at said Benton this _____ day of February, 2008

Alexandria Noble, Chairman
Wayne Chevalier
Lara Saffo

BENTON SCHOOL BOARD

**BENTON SCHOOL DISTRICT
SCHOOL WARRANT
STATE OF NEW HAMPSHIRE
March 13, 2007**

The meeting opened at: 7:12 PM.

ARTICLE 1

To choose a Moderator for the coming year.

Gilbert Richardson

ARTICLE 2

To choose a Clerk for the ensuing year

Michael Stiebitz

ARTICLE 3

To choose one School Board Member for a term of three years expiring in 2010.

Wayne Chevalier

ARTICLE 4

To choose a Treasurer for the ensuing year.

Maxine Tyler

ARTICLE 5

To choose an Auditor for the ensuing year.

Robert Steel

ARTICLE 6

To hear reports of Agents, Committees, or Officers chosen and pass any vote relating thereto.

Article 6 was moved and seconded and accepted by voice vote.

ARTICLE 7

To see what sum of money the district will raise and appropriate for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district. This Article is exclusive of any other Article on the Warrant. (The school board recommends \$409,689.00)

Article 7 was moved and seconded and accepted by voice vote.

ARTICLE 8

To transact any other business that may legally come before said meeting.

Motion was made to accept this article as written, motion was seconded and accepted by voice vote.

No other business was transacted.

The meeting adjourned at 7:19 PM. All new officers present were sworn in at the closing.

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

Once again it is my pleasure to report on the educational progress and positive steps we have made in the past year, and the steps we will continue to make to improve the educational experience of our students.

After two years of study, and looking at the scores from the Northwest Evaluation Association (NWEA) and the New England Common Assessment Program (NECAP) tests, a Standards Based Math Series has been selected for grades K-5. We intend to pilot the *Everyday Math* series in the 2007-2008 school year at those grade levels.

A new teacher evaluation document is being piloted in all the SAU 23 districts. This new document should help teachers develop their skills while at the same time focus teaching in the areas of need for our students. We are attempting to use test data to help in the direction of our instruction in the upcoming years.

Developing our use of technology within the school district continues and we have added to our capacity in each school. Due to the continued support of our taxpayers, our students enjoy the benefit of technological resources that enrich their educational experience.

Each district in SAU 23 is currently updating their policies and we plan to finish this process by the end of 2008. After all the policies have been updated and approved by the School Board we will place them on our web site so the public will have easy access to them. This is a lengthy process, as each district has between 400-600 pages of policies to go through. The entire process will take approximately two years.

During the 2007-08 school year each SAU 23 School Board will be developing goals. They will be targeting the areas they feel are most important in their own district and when the goals are complete they will be posted for all community members to review.

I continue to be grateful for the support the taxpayers and community members have shown our schools and assure you that your support will never be taken for granted. The decisions on the direction of our programs will continue to be made with the best educational interests of our students and their future in mind.

Respectfully submitted,

Bruce C. Labs
Superintendent of Schools
